Plan Your Vacation

No matter where your potential customers live, we put British Columbia right at their finger tips!

At www.bcadventure.com they can explore every corner of British Columbia before leaving home and access a wealth of vacation ideas. Exactly what today's traveller is looking for.

We'll introduce them to BC's [cities](#) to find [accommodations](#) and services, and explore the tourism regions and discover the breathtaking scenery of our waterways, coastline, mountains and valleys.

We'll provide information on touring, angling, golfing, skiing and resorts. And, they'll learn about hiking trails and points of interest, . . . all the essentials for planning the vacation of a lifetime!

The BC Adventure Network is designed to bring customers to your doorstep.

British Columbia's Great Outdoors

Created in response to requests from tourism operators and travellers alike, the BC Adventure Network's [Great Outdoors](#) section is an encyclopedia of information on BC's incredible outdoor experience.

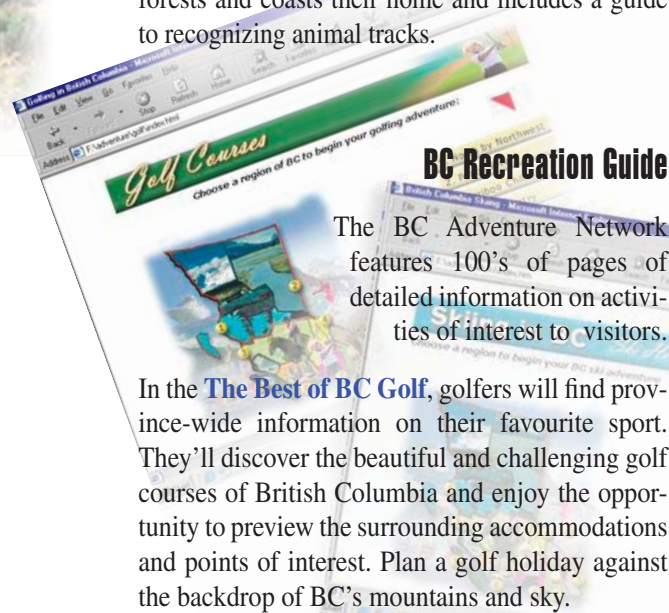

Web reviewers have been unanimous in their acclaim, resulting in a Yahoo Cool Site of the Week, and numerous other prestigious awards. This has created a large and loyal world wide audience.

The Forest is a guidebook to some of the trees and shrubs that are found in BC. Precise illustrations help identify them in the woods.

Visitors will also learn to look down and appreciate the [Wildflowers](#) and plants that paint our province with spectacular colours.

The Birds of BC introduces the song birds, waterfowl, birds of prey and more. Each description includes photos, distribution and biology. *The Animals of BC* presents the creatures who call our forests and coasts their home and includes a guide to recognizing animal tracks.

BC Recreation Guide

The BC Adventure Network features 100's of pages of detailed information on activities of interest to visitors.

In the [The Best of BC Golf](#), golfers will find province-wide information on their favourite sport. They'll discover the beautiful and challenging golf courses of British Columbia and enjoy the opportunity to preview the surrounding accommodations and points of interest. Plan a golf holiday against the backdrop of BC's mountains and sky.

BC ski hills are consistently rated among the best in the world. As a result, our province has become the destination for international skiing vacations. [The Best of BC Skiing](#) provides details of BC mountains and their first class facilities. Join with us in extending an invitation to the world to enjoy the many pleasures that BC has to offer this winter!

Fishing in BC features salt-water and freshwater fishing advice from some of BC's best anglers: Barry Thornton, Brian Chan, Philip Rowley, Ron Newman, Dennis Reid, and Ian Forbes. The [Game Fish of BC](#) are beautifully illustrated and described. Prospective travellers can browse the [Resorts, Guides and Charters](#) before booking an adventure - - and over 150,000 a month do!

Entomology introduces caddisflies, chironomids, damselflies, dragonflies, mayflies, stoneflies and more. Flyfishermen can learn their life cycles and how to recognize them on the water. Then, discover the [Fly Patterns of BC](#), created exclusively for our world class fly-fishing waters.
